

Samui Beach Village Resort

Spa menu

Why not try one of our massage or beauty treatments in the comfort of Villa, whether it's by the pool with the sway of palm trees or nice and chilled in the comfort of your room.

Physical massage has many benefits – it increases circulation, lowers blood pressure, and stimulates the production of endorphins. And it feels good to simply be quiet, and to be nurtured.

If you're a large party why not book our masseur for the day at a set price of only 3,500baht.... relaxed and in the comfort of your villa. Each person can enjoy the experience of massage and beauty treatments with no time limits. Please ensure you book early.... this is very popular!

Go ahead and indulge in the experience.
